

Curriculum Vitae
MARGARET O'BRIEN CAUGHY

CURRENT APPOINTMENT

Georgia Athletic Association Professor in Family Health Disparities
Department of Human Development and Family Science
University of Georgia
202 Family Science Center II (House D)
405 Sanford Drive
Athens, GA 30602
Phone: 706-542-4825; Fax: 706-542-4389
Email: Margaret.Caughy@uga.edu

A. BACKGROUND

A.1. EDUCATION

- 1986: Bachelor of Science *summa cum laude*, Psychology, Texas A&M University, College Station, Texas
- 1989: Master of Education, Human Development, University of Maryland, College Park, Maryland
- 1992: Sc.D., Maternal and Child Health, The Johns Hopkins University, School of Hygiene and Public Health, Baltimore, Maryland

A.2. AWARDS

- 2016: President's Scholar Award for Teaching Excellence, University of Texas Health Science Center Houston
- 2015: University of Texas Academy of Health Science Education
- 2014: University of Texas Regent's Outstanding Teaching Award
- 2013: UTSPH Faculty Awards Committee's Excellence in Teaching Award
- 2000-2013: Dean's Teaching Excellence Award, UT School of Public Health
- 2000-2013: Excellence in Research Award, UT School of Public Health
- 2000: Outstanding Teaching Award, UT School of Public Health
- 1998: National Academy of Sciences, *Frontiers of Research on Children, Youth, and Families Initiative* award recipient

- 1991-1992: Chenoweth-Pate Fellow in Maternal and Child Health, The Johns Hopkins School of Hygiene and Public Health
- 1989-1992: Maternal and Child Health Training Fellowship, The Johns Hopkins School of Hygiene and Public Health
- 1987-1989: Graduate Fellowship, University of Maryland at College Park

A.3. PROFESSIONAL EXPERIENCE

2016-present	Georgia Athletic Association Professor in Family Health Disparities, Department of Human Development and Family Science, University of Georgia
2017-2020	Graduate Coordinator Department of Human Development and Family Science, University of Georgia
2015-2016	Interim Regional Dean, Dallas Regional Campus, University of Texas School of Public Health
2013-2016	Professor with Tenure, Health Promotion and Behavioral Sciences, The University of Texas School of Public Health, Dallas Regional Campus
2005-2013	Associate Professor with Tenure, Health Promotion and Behavioral Sciences, The University of Texas School of Public Health, Dallas Regional Campus
2010-2016	Adjunct Associate Professor, Division of Behavioral & Communication Sciences, Department of Clinical Sciences, University of Texas Southwestern Medical Center, Dallas, Texas
1999-2005	Assistant Professor (tenure track), Health Promotion and Behavioral Sciences, The University of Texas School of Public Health, Dallas Regional Campus
1999-2005	Adjunct Assistant Professor, Department of Population and Family Health Sciences, The Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland
1996-1998	Assistant Scientist, Department of Maternal and Child Health, The Johns Hopkins School of Hygiene and Public Health, Baltimore, Maryland
1992-1995	Research Associate, Department of Maternal and Child Health, The Johns Hopkins School of Hygiene and Public Health, Baltimore, Maryland
1992-1995	Instructor Department of Special Education University of Maryland, College Park

B. RESEARCH

B.1. Publications (* indicates student co-author)

B.1.a. Journal articles, peer-reviewed

76. Goodgame Huffman, L.*, Oshri, A., **Caughy, M.** (2020). An autonomic nervous system context of harsh parenting and youth aggression versus delinquency. *Biological Psychology*, (in press)
75. Duprey, E. B., Oshri, A., Liu, S., Kogan, S. M., & **Caughy, M. O.** (2020). Physiological stress response reactivity mediates the link between emotional abuse and youth internalizing problems. *Child Psychiatry and Human Development*. (in press)
74. Yu, D.*, **Caughy, M. O.**, Smith, E. P., Oshri, A., & Owen, M. T. (2020). Severe poverty and growth in behavioral self-regulation: The mediating role of parenting. *Journal of Applied Developmental Psychology*, 68, 101135. <https://doi.org/10.1016/j.appdev.2020.101135>
73. Osborne, K.R.*, **Caughy, M.O.**, Smith, E.P., & Oshri, A. (2020). Racism and preparation for bias within African American families. *Cultural Diversity and Ethnic Minority Psychology*, Advance online publication. <http://dx.doi.org/10.1037/cdp0000339>
72. Walsdorf, A.*, Jordan, L. S., McGeorge, C. R., & **Caughy, M.** (2020). White supremacy and the web of family science: Implications of the missing spider. *Journal of Family Theory and Review*, 20(1), 64-79. <https://doi.org/10.1111/jftr.12364>
71. **Caughy, M. O.**, Brinkley, D., Smith, E. P., & Owen, M. T. (2020). Fathering quality in early childhood and kindergarten achievement in low-income racial-ethnic minority children. *Journal of Family Psychology*, 34(2), 215–225. <https://doi.org/10.1037/fam0000611>
70. West, K.*, Oshri, A., Mitaro, E., **Caughy, M. O.**, & Suveg, C. (2020). Maternal depression and preadolescent symptoms: An examination of dyad-level moderators in an economically-impooverished sample. *Journal of Family Psychology*, 34(3), 333–341. <https://doi.org/10.1037/fam0000610>
69. Tamis-LeMonda, C. S., **Caughy, M. O.**, Rojas, R., Bakeman, R., Pacheco, D., Owen, M. T., Adamson, L. B., Suma, K., & Pace, A. (2020). Culture, parenting and language: Respeto in Latine mother-child interactions. *Social Development*, 29, 689-712. <https://doi.org/10.1111/sode.12430>
68. Thomas, A. *, **Caughy, M.O.**, Anderson, L. A. *, & Owen, M.T. (2019). Longitudinal associations between relationship quality and maternal depression among low-income African American and Hispanic mothers. *Journal of Family Psychology*, 33(6), 722-729. <https://doi.org/10.1037/fam0000548>
67. Suveg, C., West, K. B.*, Davis, M.*, **Caughy, M.O.**, Oshri, A., & Smith, E.P. (2019). Symptoms and synchrony: Mother and child internalizing problems moderate respiratory

sinus arrhythmia concordance in mother-preadolescent dyads. *Developmental Psychology*, 55(2), 366–376. <https://doi.org/10.1037/dev0000648>

66. Mills, B., Dyer, N., Pacheco, D.*, Brinkley, D., Owen, M. T., & **Caughy, M. O.** (2019). Developmental transactions between self-regulation and academic achievement among low income African American and Latino children. *Child Development*, 90, 1614-1631. <https://doi.org/10.1111/cdev.13091>

B.2. INVITED LECTURES AND PRESENTATIONS

1. Can a multi-level framework be used to answer longitudinal MCH questions? 122nd Annual Meeting of the American Public Health Association, Washington, D.C., 1994.
2. Neighborhoods, families and children: Implications for policy and practice. Frontiers of Research Symposium sponsored by the Board of Children, Youth, and Families of the National Research Council and the Institute of Medicine. Washington, D.C. May 1998.
3. The community context of parenting. University of North Texas, Denton, Texas, February 1999.
4. Neighborhoods and health: New strategies for pediatric practice. Pediatric Grand Rounds, University of Texas Southwestern Medical Center, Dallas, Texas, October 2000.
5. Poverty and child development. University of Texas at Arlington, School of Social Work, Arlington, Texas, May 2001.
6. Culture, context, and the development of African-American children. Texas A&M University, Department of Psychology, College Station, Texas, September 2001.
7. Child development in context: Studying neighborhood effects on cognitive and behavioral development, University of Texas at Dallas, Richardson, Texas, September 2004.
8. The health of mothers and children in Texas. School of Allied Health Grand Rounds, University of Texas Southwestern Medical Center, Dallas, Texas, January 2006.
9. Results of neighborhood studies of parenting and child development: More questions than answers. Institute for the Study of Children, Families, and Society, Birkbeck University of London, May 2006.
10. Neighborhood differences in child behavior problems in first grade. University of North Texas School of Public Health, Fort Worth, Texas, November 2006.
11. Race in context: How neighborhoods shape the development of African American children. Society for Personality and Social Psychology, January Memphis, TN, 2007.
12. Measuring neighborhood effects. UNT School of Public Health, Fort Worth, Texas, June 2007.

13. Improving the development of children: A public health perspective. Capra Lecture, University of Texas Southwestern Medical Center, Dallas, Texas, October 2007.
14. Promoting the health of Mexican American infants and young children. Texas Tech University/Society for Research in Child Development Conference on Understanding Mexican-American Families: Multi-Disciplinary Perspectives, Lubbock, Texas, April 2010.
15. Assessing developmental trajectories of executive functions in ethnic minority toddlers: Challenges and opportunities. National Institute of Child Health and Development. Workshop on Executive Function in Preschool Children: Current Knowledge and Research Opportunities. Bethesda, Maryland, June 2010.
16. Child, family, and community contributions to race/ethnic disparities in school readiness. Clinical Sciences Distinguished Speaker Seminar Series, University of Texas Southwestern Medical Center, Dallas, Texas, April 2011.
17. Improving the health and development of children: A public health perspective. University of North Texas School of Public Health Grand Rounds, Fort Worth, Texas, August 2012.
18. What public health has to say about improving the development of children. Cynthia and Duncan Campbell Lecture on Childhood Relationships, Risk, and Resilience, Hallie Ford Center for Healthy Children and Families, Oregon State University, Corvallis, Oregon, November 2012.
19. Succeeding despite the obstacles: Closing the education gap for children in poverty. 2013 Spring Lecture Series. Center for Children and Families, University of Texas at Dallas. Richardson, Texas. March 2013.
20. Succeeding despite the obstacles: Closing the education gap for children in poverty. Keynote address, Region 10 Summer Staff Development for Early Head Start/Head Start. Richardson, Texas. August 2013.
21. Disparities in school readiness: The Dallas Preschool Readiness Project. Southern Methodist University, Department of Psychology, Dallas, Texas. November 2013.
22. Risk and resilience in early childhood development: Context is everything. University of Georgia, Department of Human Development and Family Sciences. Athens, Georgia. November 2015.
23. Dads and their kids: The role of positive father-child relationships for early development. University of Texas at Dallas, Center for Children and Families. Richardson, Texas. March 2019.
24. Hidden figures: Increasing diversity in developmental science. SRCD Developmental Science Teaching Institute. Baltimore, Maryland. March 2019.
25. Collaborative science in the Spirit of 2044: Diversity is Key. Society for Research in Child Development Biennial Meeting. Baltimore, Maryland. March 2019.

26. Becoming an Antiracist Society: Setting A Developmental Research Agenda. Society for Research in Child Development Webinar, June 2020.

B.3. GRANTS AND CONTRACTS AWARDED

B.3.a. Active grants: Principal Investigator or Co-Principal Investigator

1. NICHD 1R01HD100557-01A1, “The role of fathering in the language development among young, low-income African American and Latino children”, PI, 30%, Budget (total costs): \$3,196,051 (2020-2025)
2. NICHD 2R01HD075311-04A1, “Self-regulation and the transition to middle school”, PI, 30%, Budget (total costs): \$2,866,971 (2017-2022).
3. NICHD 1R01HD086832-01A1, “Quality of early mother-child communication and language outcome in low-income Hispanic children”, PI, 20%, Budget (total costs): \$962,425 (2016-2020)

B.3.b. Active grants: Co-Investigator

1. NIHLBI 1R01HL135359-01A1, “The Virtual Fitness Buddy Ecosystem: Using digital technology to promote and sustain moderate-to-vigorous intensity physical activity in children. (PI Grace Ahn), Budget (total costs): \$3,637,801 (2017-2022).

B.3.c. Completed grants: Principal Investigator or Co-Principal Investigator

1. NICHD 1R01HD075311-01A1, “Disparities in self-regulation and school readiness: Kindergarten follow-up”, PI, 30%, Budget (total costs): \$1,677,869 (2013-2017)
2. MCHB/HRSA 2-T04MC12785-01-00, “Certificate in MCH Public Health”, PI, 20%, Budget (total costs): \$1,811,162 (2009-2019) (*grant relinquished to UTSPH*)
3. NICHD (HHSN275200800035C)/University of Texas Southwestern Medical Center, “National Children’s Study Center: Lamar County”, PI of subcontract, 2%, Budget (total costs): \$184,993 (2008-2013).
4. NICHD 1R01HD058643-01A1, “Self-regulation and race/ethnic disparities in school readiness”, PI, 30%, Budget (total costs): \$1,342,403 (2009-2012)
5. MCHB/HRSA 5R40MC11269-02-00, “Cultural and contextual variations in parenting impacts on adolescent adjustment”, Co-PI 10% (PI Luisa Franzini, UT School of Public Health), Budget (direct costs): \$869,682 (2009-2012)
6. NSF 0827350, “Agents of change: Publicly-driven investment, neighborhood change, and household behavior”, Co-PI 10%, (PI James Murdoch, University of Texas at Dallas), Budget (total costs): \$1,000,178 (2008-2011)
7. NICHD R01HD40419-01A1, “Behavioral and academic adjustment in elementary school: Social and ecological correlates”, PI 30%, Budget (total costs): \$1,185,450 (2002-2008)

8. NIMH R03MH067765-01A2, “Mother-infant conflict behavior and problem behavior development”, PI 15%, Budget (total costs): \$93,375 (2004-2006)
9. WT Grant Foundation/Hogg Foundation/Amarillo Area Foundation, “Implications of the Healthy Steps Program for the home environment, parent-child interaction, and child development”, PI, 30%, Budget (total costs): \$533,919 (1999-2002)
10. Smith-Richardson Foundation, “Parenting and child development in context”, PI 20%, Budget (total costs): \$177,101 (1998-1999)
11. CDC U22/CCU617974, “Social and environmental risk for HIV among young gay men”, PI 20%, Budget (total costs): \$671,758 (1999-2002)
12. MCHB MCJ-240731, “Poverty and the ecology of African-American child development”, Co-PI 20% (PI Patricia J. O’Campo, Johns Hopkins University), Budget (total costs): \$833,720 (1996-1999)

B.3.d. Completed grants: Co-Investigator

1. Texas Department of Health, “The Hispanic Paradox and the role of social capital”, Co-I 10% (PI Luisa Franzini), Budget (total costs): \$359,856 (2000-2002)
2. Commonwealth Foundation, “Evaluation of the Healthy Steps Initiative”, Co-I 5% (PI Bernard Guyer, Johns Hopkins University), Budget (total costs): \$4,320,000 (1995-2002)
3. Baltimore City Health Department, “Local Evaluation of Baltimore City's Healthy Start Project”, Co-I 40% (PI Patricia J. O’Campo, Johns Hopkins University), Budget (total costs): \$1,146,114 (1991-1996)

C. TEACHING

C.1. CLASSES AT UNIVERSITY OF GEORGIA

C.1.a. Undergraduate courses

Prenatal and Infant Development (Fall 2017)
 Early and Middle Childhood (Fall 2018 - present)

C.1.b. Graduate courses

HDFS Professional Development Seminar (Fall 2017 - present)
 Seminar in Family Health Disparities (Spring 2017)

C.2. CLASSES AT UTSPH (*all courses graduate level*)

Maternal and Child Health (MCH) Core Training Seminar I (Fall Semester) – course developer and lead instructor, taught via ITV to all UTSPH campuses plus the Grand Valley State University School of Social Work in Grand Rapids, MI (2010 – 2016)

MCH Core Training Seminar II (Spring Semester) – course developer and sole instructor, taught via ITV to all UTSPH campuses plus the Grand Valley State University School of Social Work in Grand Rapids, MI (2010 – 2016)

MCH Fellowship Seminar I (Fall Semester) – course developer and sole instructor, taught via ITV to all UTSPH campuses plus the Grand Valley State University School of Social Work in Grand Rapids, MI (2010 – 2016)

MCH Fellowship Seminar II (Spring Semester) – course developer and sole instructor, taught via ITV to all UTSPH campuses plus the Grand Valley State University School of Social Work in Grand Rapids, MI (2010 – 2016)

Overview of Maternal and Child Health (Fall Semester) – course developer and sole instructor, taught online (2006 – 2013)

Theories of Child and Adolescent Development (Spring Semester, every other year) – sole instructor, a doctoral level course taught via ITV (2007 – 2016)

Social and Behavioral Aspects of Community Health (Spring Semester) – lead instructor, taught via ITV (1999 – 2009)

Introduction to Biostatistics (Spring Semester) – co-instructor; course developer for the lab portion of the course (2004 – 2009)

Applied Data Analysis Methods for Public Health Research (Spring Semester) – course developer and sole instructor (1999-2003)

C.3. STUDENT ADVISING

C.3.a. Advising at University of Georgia

Doctoral students, Academic advisor and/or dissertation advisor

Dian Yu, PhD (2019). “Social determinants of early self-regulation development in low-income African American and Latino families”, Human Development and Family Science

Ashley Walsdorf, PhD (2019). “The influence of socio-political climate and precarious contexts on Latinx immigrant parenting and child development”, Human Development and Family Science with an emphasis in Marriage and Family Therapy

Leslie Anderson, LMFT, PhD (2020). “Parenting while Black in American: Centering race, resistance, and refuge”, Human Development and Family Science with an emphasis in Marriage and Family Therapy

Kimberly Osborne, PhD student in Human Development and Family Science

LaRen Morton, PhD student in Human Development and Family Science

Katharine Suma, PhD student in Human Development and Family Science

Doctoral students, Committee member

Erinn Duprey, PhD (2019). “Child maltreatment and preadolescent psychopathology: Indirect effects via physiological stress reactivity”, Human Development and Family Science

Peter Attridge, PhD student in Human Development and Family Science
Joshua Boe, LMFT, PhD candidate in Human Development and Family Science with an
emphasis in Marriage and Family Therapy
Heather Cohen, PhD candidate in Communication Science
Valerie Maxey, LMFT, PhD candidate in Human Development and Family Science with an
emphasis in Marriage and Family Therapy
Yasemin Tavik, PhD student in Human Development and Family Science

Masters students, Committee member

Chandler Townsend (2018), Master of Science in Child Life
Caroline Brown (2019), Master of Science in Child Life
Emily Brown (2019), Master of Science in Child Life

C.3.a. Advising at UTSPH

Doctoral students, Academic advisor and/or thesis advisor

Alicia Thomas, DrPH (2017). “Exploring family emotional climate and its influences on
maternal and child health outcomes”
Jina D'Cruz, PhD (2014) “*Keeping It Real*”: Executive function and sexual health self-
management of Houston middle school students”

Doctoral students, Committee member

Bethanie Van Horne, DrPH (2014), “An examination of first-time maltreatment in children ages
2 to 10 with and without specific birth defects: A population-based study”
Marivel Davila, PhD (2013), “Social isolation, perceived social support and depression among
mothers of adolescents: The role of ethnicity”

Masters Students (thesis advisor only)

Sarah Masood, MPH (2012), “Parental adiposity, parental food modeling and child food intake,
preferences and food behaviors”
Erin Glueckert, MPH (2012), “In-utero exposure to chemotherapy: What are the long term
effects?”
Elizabeth Wilkes, MPH (2010), “The efficacy of a health plan model to identify and treat
childhood obesity”

- Kimberly Lohrfink, PhD, Applied Developmental Psychology (1999), “Parental expectations and child cognitive development” (University of Maryland, Baltimore County)

C.5. FACULTY MENTORING

C.5.a. University of Georgia

Grace Ahn (2016-present)
Assaf Oshri (2016-present)
Cynthia Suveg (2016-present)

C.5.b. University of Texas School of Public Health

Patrice Vaeth (2006-2013)
Flora Dallo (2006-2009)
Jasmin Tiro (2009-2016)
Darla Kendzor (2010-2015)
Jennifer Reingle-Gonzalez (2014-2016)

C.5.c. Other institutions

Lorraine Reitzel, Assistant Professor, MD Anderson (2007)
Sunjun Kang, Assistant Professor, UT Southwestern Medical Center (2009-2016)
Sandi Pruitt, Assistant Professor, UT Southwestern Medical Center (2011-2016)
Michiko Clutter, Research Scientist, Children's Medical Center (2015-present)
Hilda Loria, General Pediatrics Fellow, UT Southwestern Medical Center (2016-present)
Heather Jones, Assistant Professor, Virginia Commonwealth University (2017-present)
Fantasy Lozado, Assistant Professor, Virginia Commonwealth University (2017-present)

C.5.d. Mentoring for submission of K awards or other career development awards

May Lau, Assistant Professor, UT Southwestern Medical Center (2011)
Karen Chartier, Research Associate, UT School of Public Health (2011–2013)
Assaf Oshri, University of Georgia (2016-2017)
Dawn Brinkley, Senior Instructor, University of Texas at Dallas (2016-2017)

D. SERVICE

D.1. SERVICE TO THE INSTITUTION

D.1.a. Educational programs at the University of Georgia

- Graduate Coordinator (2017-present)

D.1.b. Committees at the University of Georgia

- Member, Graduate Admissions Committee, Department of Human Development and Family Science (HDFS) (2017)
- Member, Promotion and tenure committee, Department of HDFS (2017)
- Member, Dean's five year review committee, Office of the Provost (2017)

- Member, Promotion and tenure committee, College of Family and Consumer Sciences (2017)
- Member, Academic Program Review Committee for the Department of Counseling and Human Development Services, Office of the Provost (2017)
- Chair, Search Committee for Business Manager II, Department of Human Development and Family Science (2017-2018)
- Member, Graduate Admissions Committee, Department of Human Development and Family Science (2016-present)
- Member, Post-Tenure Review Appeals Committee, Office of Faculty Affairs (2018-present)
- Member, University P&T Review Committee, Office of Faculty Affairs (2018-present)
- Chair, University P&T Review Committee, Social and Behavioral Sciences (Panel A), Office of Faculty Affairs (2019)

D.1.c. Educational programs at the UT School of Public Health

- Founding Director, Maternal and Child Health Concentration (2009-2016)

D.1.d. Committees at the UT School of Public Health

- Co-Chair, Research Council (2012-2016)
- FOTE grant review committee (2012)
- Member, Research council (2011-2012)
- Member, School-wide curriculum committee (2010-2012)
- PRIME grant review committee (2010)
- Member, Academic Affairs Committee, Division of Health Promotion and Behavioral Sciences, (2007-present)
- Member, Annual activities report review committee (2006)
- Member, Faculty Council (2004-2006)
- Member, Academic Affairs Committee (2002-2004)
- Member, Dallas Regional Campus Coordinating Committee (2004-2005)
- Member, Health Promotion and Behavioral Sciences Leadership Team (2005-2006)
- Chair, Health Promotion and Behavioral Sciences Core Course Committee (2005-2006)
- Chair, Behavioral Core Course Committee (2001-2002)
- Member, Admissions Committee, Dallas regional campus representative (1999-2001)

D.1.e. Faculty searches at the UT School of Public Health

- Chair, search committee for Dallas regional campus biostatistics faculty (2014)
- Member, search committee for Dallas regional campus faculty (2 positions) (2011-2012)
- Member, search committee for Dallas regional campus faculty (2 positions) (2005-2006)
- Chair, search committee for behavioral sciences faculty at regional campuses (3 positions) (2001-2003)
- Member, search committee for Associate Dean for Academic Affairs (2000-2001)

D.1.f. Service to the UTSW (host institution for the UTSPH Dallas Regional Campus)

- Research Affairs Committee, School of Health Professions (2006 – 2010)
- Community Health Research Initiative Advisory Committee (2007 – 2010)
- Search committee, School of Health Professions, Associate Dean (2007)
- UTSW/UTH Coordinating Committee (2005-2006)

D.2. SERVICE TO THE PROFESSION

D.2.a. Memberships

1992-present Society for Research in Child Development

1992-2000 American Public Health Association

D.2.b. Editorial service

Editorial board member, *Journal of Youth and Adolescence*, 2012-present

Editorial committee, *Child Development* for the special issue on Race, Ethnicity, and Culture (volume 77, Number 6)

D.2.c. Reviewer service

Reviewer for journals: American Journal of Orthopsychiatry; American Journal of Public Health; American Sociological Review; Applied Developmental Science, BMC Public Health, Child Development; Developmental Psychology; Developmental Review, Early Childhood Research Quarterly; Health and Place; Infancy, International Journal of Behavioral Development; International Journal of Epidemiology; Journal of Child and Family Studies; Journal of Primary Prevention, Journal of Research on Adolescence, Journal of Studies on Alcohol and Drugs, Parenting: Science and Practice, Psychological Reports; Social Psychology Quarterly, Social Science & Medicine, Sociological Quarterly

Review panel chair for meetings: International Conference on Infant Studies (2007)

Reviewer for meetings: Society for Research in Child Development Biennial Meeting (2011; 2017; 2019); Society for Research in Child Development Themed Meeting “Positive Development of Minority Children” (2012); Society for Research in Child Development Themed Meeting “Construction of the Other” (2019)

D.2.d. Other professional service

- Member, Ethnic and Racial Issues Committee, Society for Research in Child Development, (2017-2019)
- Co-Chair, Ethnic and Racial Issues Committee, Society for Research in Child Development, (2019-2021)
- Mentor, NIH grant writing boot camp, Society for Research in Child Development, (2017)

D.3. EXTERNAL SERVICE

D.3.a. Grant review panels, local

North Texas March of Dimes Grant Review Committee (2002-2004)

D.3.b. Grant review panels, national

Health Resources and Services Administration, Maternal and Child Health Bureau Research Program R40 (2004-2007)

National Institute of Child Health and Development, Special Emphasis Panel, “Academic-Community Partnership Conference Series (U13)” (2009)

National Institute of Child Health and Development, Special Emphasis Panel, “Academic-Community Partnership Conference Series (R03)” (2010)

National Institutes of Health, Center for Scientific Review, Psychosocial Development, Risk, and Prevention (PDRP) panel for the Risk, Prevention, & Health Behavior Integrated Review Group (RPHB), ad hoc reviewer (10/2009, 2/2010, 6/2010)

National Institute of Child Health and Development, Special Emphasis Panel ZHD1 DSR-M, “Academic-Community Partnership Conference Series (R03)” (June 2012)

National Institutes of Health, Center for Scientific Review, Psychosocial Development, Risk, and Prevention (PDRP) panel for the Risk, Prevention, & Health Behavior Integrated Review Group (RPHB), charter member (2010-2014)

National Institutes of Health, Center for Scientific Review, Special Emphasis Panel ZRG1-RPHB-W; NIH Director’s Early Independence Awards Review (April 2014).

National Institutes of Health, Center for Scientific Review, Special Emphasis Panel ZHD1-DRS-M (MF) (July 2014).
